HAZING PREVENTION: MAKING THE TRANSITION

Monday 23 February

6:00 - 7:30 pm
Mallinckrodt Center
Multipurpose Room

Leaders responsible for transitioning new members into their organization will examine the purpose, goals, and effectiveness of their current activities. Through a learn-by-doing process, they will examine philosophies, policies, and best practices, critique various transition experiences, and gather idea options for how to improve their current activities.
