Internal Resolution Regarding Live Streams
Sponsored by Senator Tyrin Truong

Whereas, the mission of Student Union Senate is to create a vibrant campus community by advocating for the needs and interests of undergraduate students,

Whereas, it is our individual duty as senators to increase students’ accessibility to the advocacy branch of their student government; and,

Whereas, our meetings may be physically inaccessible to members of our community; and,

Whereas, as elected campus leaders, it is our duty to make our positions publicly known on issues facing our constituents; and,

Whereas, our body has been continuously asked to become more transparent to its constituents; and,

Whereas, the Student Union Senate itself has determined that in order to serve its constituents, the body must be more transparent in its meetings; and,

Whereas, live streams will increase accountability within the body and have been implemented successfully at peer institutions; therefore be it

Resolved, that Student Union Senate will live stream all general body meetings and publicize them via our Senate Facebook page unless voted against by ⅔ of the body at the beginning of the aforementioned meeting or at any time during the meeting; further be it

Resolved, that if the live stream is shut off, a statement will be posted to explain why; further be it

Resolved, that Student Union Senate internal elections will not be live streamed.
