* P - Present   T - Tardy   A - Absent   E - Excused
III. Rob Wild (Expungement of Student Records)
   - Conduct tries to be understanding
   - Policy proposal allows for accountability without “permanent record”
   - Policy:
     - Records can be expunged after two years if it’s not offense 1, 3, 4, 5, 8.
     - If it’s after 4 semesters
     - If they have 90 credits
   - Concerns:
     - Early graduates
     - Rule 8 on drugs to be treated like alcohol
     - Academic integrity, 1st offense expungement (schools manage independently)
       - Appeals process exists, current boards look at violations closely, do not want to devalue degree, undermines credibility
     - Only allow expungement on 8 for usage
     - 2nd offense is much higher level
     - Probably about 10-15 expungement requests a year with current proposal
     - Don’t hold record after 10 years other than expulsions and suspensions

IV. Budget Committee Approval
   - Group Apparel was not zeroed, unlike in past semesters
   - Sports clubs requested the most, received the most (approximately same share)
   - Not disclosing what the current funding percentage would be with 0 carryforward

V. Appeals

**Student Group:** KWUR  
**Title of Event:** Headliner Concert  
**Amount Requested:** $9490  
**Amount Approved:** $9490

<td>18</td>
</tr>
</tbody>
</table>

**Decision Rationale:**
Event has already been funded in Budget Committee, just the artist fee left. Venue was needed since Gargoyle is gone and exposes students to St. Louis music scene. Artist fee was necessary as the headliner of the week. Treasury members expressed regret over not funding KWUR week the previous year.

**Student Group:** Powerlifting Club  
**Title of Event:** State Meet  
**Amount Requested:** $3639.62  
**Amount Approved:** $

**Decision Rationale:**
Non-competitive members funded to attend due to the fact that handlers are necessary and extremely important for competition. All travel was funded since they must compete in this to be able to qualify for nationals in the future. Memberships were seen as extremely important to fund since required for competition.

Yay Fadel?

Zoe

Great to see a group speak within an appeal

Raghed

Make sure one person speaks between motion and voting

Alexa

End of Term recap:

Alexa

Great learning period, thankful for people’s commitment to SU and work to improve

Raghed

Improved over the past 3 years: speak with groups, include groups, not “leaving group in tears.” Refined policies, built up our rules, which is good for consistency but can cause jargon to be used.

Andrew

Felt that at the beginning, [he] did not know what to do and what SU is, but now has learned much more since then. Learned from older members, but has now developed [his] own sense of rationale.

David

You will never stop learning. Love seeing other groups around campus, looking forward to the future.

Bryan

Lowest point was turning groups away from AC due to quorum. Mistake in not asking clarifying questions about rationale, etc, but have learned since.

Elaine

VII. Updates

**Speaker and Committee Chair:**

Mental health awareness month. Vote in SU elections.
Inauguration/internal elections on 17th, contact people in position.

Alexa

New Group Training hosted Thursday 5:30pm in Seigle L002

Bryan

Jake: VC White will leave to Indiana, and replaced in interim by Rob Wild.

Otto: Go request absentee ballot if you are voting in MO. Also went through a metal detector.

**Advisor:**

Nominate for students in excellence. Vote in SU elections, and good luck to the candidates!

Janice
